(2000) of the State of Missouri (hereinafter called Section 105, and amendments thereof as the same may be now and hereafter in effect) and under and by virtue of action lawfully taken by its governing body on the 19 day of *January*, 2015, a duly certified copy of said action being attached hereto, submits the following plan for extending the benefits of federal Old-Age, Survivors, and Disability Insurance to all of its eligible employees and officials as authorized by Section 105 and the agreement between the State of Missouri and the United States Social Security Administration, Commissioner (formerly the Department of Health, Education and Welfare), heretofore entered into, and by the Social Security Act as amended by the Social Security Act Amendments of 1950 and related enactments (said Acts being hereinafter collectively call "Social Security Act"), said plan to become effective as an agreement with the Office of Administration of the State of Missouri (hereinafter called "State Agency") upon the written approval of said State Agency being endorsed hereon.

The benefits of the system of federal Old-Age, Survivors, and Disability Insurance as authorized by the agreement between the State of Missouri and the United States Social Security Administration, Commissioner, and by the federal Acts and the State Act, shall be extended to all eligible employees of the Political Entity subject to the following terms and conditions:

1. When used in this Plan and Agreement the following terms mean:
 - a. "Employee": elective or appointive officials and employees of the Political Entity; provided, that employees who are members of any retirement system supported wholly or in part by the State or any of its political subdivisions or instrumentalities are not to be included within the meaning of this term, unless they have elected to become eligible. Employee is defined in Section 210(j) of the Social Security Act, Section 3121(d) of the Internal Revenue Code and 105.300 RSMo; and
 - b. "Retirement system": a pension, annuity, retirement, or similar fund or system established by the State or a Political Entity thereof.

 - d. Service (other than agricultural labor or service performed by a student) excluded from employment by any provisions of Section 210(a) of the Social Security Act, other than paragraph (7) of such section;
 - e. Services which in the absence of an agreement entered into between the State of Missouri and the United States Social Security Administration, Commissioner, under

3. The Political Entity, upon approval of this plan and agreement by the State Agency, agrees that it shall impose upon each of its employees, as to services which are covered by this Plan and Agreement, a contribution with respect to wages, not exceeding the amount of the tax which would be imposed by Section 3101 and 3111 of the Internal Revenue Code if such services constituted employment within the meaning of such Code, and to deduct the amount of such contribution from wages as and when paid. It is further understood that the contributions so collected shall be paid in partial discharge of the liability of the Political Entity, but that failure to make such deduction shall not relieve the employee or the Political Entity from liability therefore.
4. The Political Entity shall pay said contributions to the Internal Revenue Service, contributions with respect to wages in the amounts and at the rates specified in the agreement entered into between the State of Missouri and United States Social Security Administration, Commissioner, such amounts to be equal to the sum of the taxes which would be imposed by Sections 3101 and 3111 of the Internal Revenue Code, if the services covered by said agreement and by this plan and agreement constituted employment within the meaning of said Act. If the Political Entity fails to make any payments herein provided to be made at the time or times when due, each and every such delinquent payment shall bear interest and penalty at the rate charged by the Internal Revenue Service and/or the United States Social Security Administration from the due date until paid.

6. The Political Entity may request that this plan and agreement be modified to include any coverage group to which this plan and agreement did not previously apply, or to include, in the case of any coverage group, services previously excluded from this plan and agreement, and any such requested modification shall become effective upon approval thereof by the State Agency and upon the modification of the agreement between the State of Missouri and the United States Social Security Administration, Commissioner, pursuant to the terms of such request.
7. The Political Entity may not terminate this plan and agreement, either in its entirety or with respect to any member of a joint coverage unit.
